## 1 Introduction

This is a claims made policy and consists of this document, the Schedule, and Endorsements, if any, all of which are a single document and are to be read as one contract. In this policy, certain words or phrases are specially defined.

In deciding to accept this policy and in setting the terms and premium We have relied on the information which You have provided to Us.

We will, in consideration of the payment of the premium, insure You, subject to the terms and conditions of this policy, against the events set out in What Is Covered in connection with Your Business during the Period of Insurance or any subsequent period for which We agree to accept payment of premium.

This policy is to be interpreted in accordance with the Insurance Act 2015 in its entirety and nothing within this policy is intended to represent an intention on Our part to contract out of any provision within the Act. Where language nonetheless remains, that is either prohibited or otherwise rendered of no effect by the Act, We acknowledge that Our rights shall thereby be curtailed.

Please read this policy carefully and make sure that it meets Your needs. If any corrections are necessary, You should contact Your broker through whom this policy was arranged.
