

Communicable Disease Exclusion

Extension to Cover 4.7 Communicable Disease is deleted and the following exclusion is applied.

This policy will not indemnify You for any Claim arising from any Communicable Disease, including any fear or threat (whether actual or perceived) of any Communicable Disease and/or any action taken to control, prevent, suppress, mitigate or in any way relating to any actual or suspected outbreak of any Communicable Disease. If We maintain that this exclusion applies, the burden of proving that it does not shall be upon You.

All other policy terms, conditions, limitations and exclusions remain unaltered.
